# A message from our board chair.

## What makes a community-owned co-operative different?

### We strive to make a difference.

Access Communications exists to make our community a better place to live. We provide exceptional communications and entertainment services, bolstered by leading-edge technology. In these challenging times, our services have never been more important. We continue to do our part to keep Saskatchewan connected.

Access Communications also believes in doing our part to enact positive, lasting change in local lives. We supported over 1,500 local community groups in the last year, and we continue to reinvest 100% of our earnings right back into our 235 communities and rural areas across Saskatchewan.

### On behalf of the board of directors, thank you to the members of our co-operative for your ongoing support. Our members are the foundation of our continued growth and success.

We certainly welcome more members to help guide Access! We encourage our members to reach out to others about membership to support our community-owned co-operative business model. District and general member meetings and staying up to date through our regular newsletters and reports are great ways to stay involved.

Our 2020 Community Report highlights the many ways that Access Communications does its part. We deliver a platform for local expression on Access7 community channels. We champion fundraising initiatives for worthy causes. We fund the education of future leaders in this province. We support youth through our registered charity, the Access Communications Children's Fund. We do our part every day. That's who we are. And we wouldn't have it any other way.

Sincerely,

**Hiedi Pearson**

## Setting the stage for the stories of Saskatchewan.

Access Communications knows the province has a story to tell. That’s why we’ve invested millions to deliver our Access7 community channels to nearly 100 communities across Saskatchewan. Each Access7 channel has its own local shows and programming celebrating culture, lifestyle, events, and sports. Thank you to all our AccessTV subscribers whose support makes it possible!

**\$2.5**  
Million invested

**2,800**

**Nearly 100**  
community channels

Access7 is programming for the community, by the community. Over 5,400 volunteer hours were involved to create over 2,800 hours of made-in-Saskatchewan television. More than 60% of all Access7 programming is produced by local community groups.

Our Access7 community channels give a voice to many diverse groups. *Prairie Pride* is a platform for the LGBTQ+ community. *Pinoy Talk* focuses on the blending of cultures that Filipino-Canadians experience. *RezX* is a showcase for indigenous lifestyle. *The Four* sets out to share the stories, culture, and history of indigenous women. And Access7 is also host to countless other programs, including spotlights on Chinese New Year and live broadcasts of pow wows, including the First Nations University of Canada Pow Wow.

Access7 is also the exclusive broadcasting partner of the Regina Pats. And this year, virtual award shows took center stage, such as the Saskatchewan Country Music Awards and the Yorkton Film Festival. We were proud to have the Silverlight Productions film *Kay Parley: A Mind of Her Own* nominated in the Best of Saskatchewan category at the Yorkton Film Festival.

Last July we launched our inaugural Summer BBQ Tour. The goal? To show off our grilling skills! Oh, and to also say **THANK YOU** to our communities in person. We gave away hot dogs and hamburgers, prizes for kids and even raffled a toy Mercedes Ride-On in support of the Access Communications Children’s Fund.

We love being 100% Saskatchewan-owned and we can’t wait to visit even more of the province on our next barbecue tour.

# Sponsoring spaces that bring people together.

Access Communications recognizes the need for spaces that the community can use for outdoor activities, leisure time and celebrations.

That's why Access makes community spaces available including the Access Community Park and the Access Community Rink. Access also sponsors the Access Communications Water Park in Yorkton.

The **Access Community Park** in Regina has been around since 1989 and is a great place for a quick game of soccer, softball, or baseball. The park may be reserved free of charge by community groups for practices or events. One example is the Filipino Festival, which was a celebration of Filipino food and culture that drew over 1,000 people in 2019. During the winter months, the park is home to the Access Communications Community Rink, a learn-to-skate leisure rink for all ages.

The **Access Water Park** is a draw for families, not only in Yorkton but the entire Parkland area in Saskatchewan. The facility features a wave pool, a 25-metre instructional pool, a lazy river, two story waterslide and party room. Access is proud to provide Wi-Fi Internet service throughout the Gallagher Centre to guests free of charge!

Access is also a proud sponsor and the exclusive broadcaster for the Regina Pats Hockey Club, the Regina Red Sox baseball team, and many more Saskatchewan clubs of all levels. It's just another way we help to bring the community together, because that is when great things happen.

# Giving back our time to what matters most in the community.

## Cheers to our volunteers!

As a not-for-profit co-operative, Access Communications has a special connection with our volunteers. We are truly humbled by their enthusiasm and commitment to making Saskatchewan a better place to live.

They say it takes a village, and ours is made up of the over 300 volunteers who give their time, energy, and talent. Our volunteers are there every week to support our TV Bingo show, they make our fundraising events possible, and they contribute to creating quality community programming on Access7.

## Getting kids out on the ice for the very first time.

Everyone deserves to experience the great Canadian pastime of skating. That's why we built the Access Community Rink in Regina, a learn-to-skate leisure rink for all ages to come and enjoy during the winter months. We offer free skate and helmet rentals thanks to our sponsors and community donations. We also offer skating lessons, hosted by our volunteer coaches, so that even first-timers can confidently give it a try.

All this is possible thanks to our Community Rink sponsors. We love them snow much!

## Raising funds & promoting great causes.

At Access Communications, giving back to the communities we serve is a full-time job. We're proud to support over 1,500 community groups. We support these groups by volunteering our time, by providing sponsorships and by promoting their events and programs on Access7.

**But we also take things a step further and champion important causes through our fundraising events.**

Whether it's a telethon to save our furry friends or hosting 5,000 car enthusiasts to support the local food bank, we believe in doing our part to raise not only money but awareness. Our charitable partners do important work in the community and as a co-operative, it's our responsibility to lend a hand.

**Here are some of the great causes we championed this last year:**

- Labour Day Show N Shine (in support of Regina Food Bank)
- Oktoberfest Staff Campaign (in support of United Way Regina)
- Pumpkin Patrol
- Regina Humane Society Telethon (on Access7)
- Regina Food Bank's Annual Food Drive
- Regina Rotary Carol Festival (on Access7)
- Salvation Army Christmas Dinner (Regina)
- St. Joseph's Hospital Radiothon in Estevan (on Access7)
- United Way of Estevan Telethon (on Access7)

# Funding Saskatchewan's best and brightest.

**Making the world a better place starts with supporting our future leaders.**

The Access Communications Doug Alexander Scholarship Program awards \$1,000 to 20 high school graduates from across the province. Since 2005, we have awarded more than \$360,000 to scholars who demonstrate a passion for community involvement and a dedication to academic excellence. In 2020, our program was renamed in honour of the late Doug Alexander, Community Relations Manager for Access Communications, in recognition of his lifelong commitment to the community.

At Saskatchewan Polytechnic, Access Communications awarded two \$1,500 scholarships for the Computer Networking Technician and Telecommunications Network Technician certificate programs.

## Championing our responsibility to the environment and diversity.

### Reducing our environmental impact.

Access believes in raising awareness and embracing sustainability in everyday operations. Our employees lead the charge and have implemented many changes, such as paperless initiatives (for billing and pay statements), and low energy light fixtures. We also recognize National Waste Reduction Week in October to raise awareness. Our warehouse continues to run its Sweep It program to recycle computers, TVs, or anything with a plug (dropped off at our local SARCAN).

**35,000**

**1,700**

### Celebrating our cultural diversity.

Access believes in celebrating the cultural landscape in the province through Access7 community channel shows like *Prairie Pride*, *Pinoy Talk*, *RezX* and spotlights on events like Chinese New Year and First Nations University of Canada Pow Wow.

One such show is *The Four*, which features four women of different Indigenous backgrounds (Cree, Saulteau, Lakota and Métis). There really is no show quite like it. *The Four* addresses the lack of representation of Indigenous women in media and has featured episodes on the legacy of residential schools with guests who lived through those challenging times. The show is telling the stories of Indigenous histories, communities, and aspirations.

Access Communications was awarded Canada's Best Diversity Employer award in 2019 and we continue to celebrate the diversity within our workforce, with staff and others celebrating occasions like the Regina Mosaic Cultural Festival, National Indigenous Peoples Day, Diwali and more.

Access Communications

Children's Fund

## Every child deserves a chance.

This simple mandate is the inspiration for our registered charity, the Access Communications Children's Fund. It's how we do our part to help youth in Saskatchewan.

Since its launch in 1992, our charity supports organizations whose programs focus on children at risk or in need. In 2019, our Children's Fund hit an important milestone: We have now donated over \$2 MILLION to non-profits and charities across the province.

The Children's Fund is grateful for the support it is given by generous public donations, Access Communications staff fundraisers, and, most notably, our weekly TV Bingo program that airs on Access7 community channels across Saskatchewan. In 2019, we donated \$205,000 to 40 projects. We continue to manage our expenses and I am proud to report that in fiscal 2019, we exceeded SLGA Bingo licensing requirements. The Children's Fund conducts its operations in an open and transparent manner, and I encourage you to review our fiscal 2019 financial statements included in this report.

If you know a program focused on children at risk or in need, please encourage it to apply for funding. For more information, go to [myaccess.ca/childrensfund](http://myaccess.ca/childrensfund).

On behalf of the Board of the Children's Fund, I'd like to acknowledge our former board chair, Doug Alexander, who passed away last November. His impact on our charity cannot be overstated. Doug always said, **"If everyone just does their part, the world would be a better place."**

Thank you to all those who support the Access Communications Children's Fund - our volunteers, staff, and Board of Directors for all you do - so that we may continue to 'do our part'.

Sincerely
