# The little cable company that could and DID!

Before cable TV came to Regina, “change the channel” meant change it to the other one. Either you had an antenna on your roof or you fiddled and fiddled with set-top rabbit ears, desperate to get a clear picture.

In 1974, citizens and non-profit organizations banded together as the Regina Cablevision Co-operative, believing that a cable company could do more than provide entertainment to the community. It could better it.

Two years later, they were granted CRTC approval for a broadcast license.

On February 15, 1978, Cable Regina went on the air with one community programming camera, seven channels and 1,400 excited subscribers.

Today, the little cable company that served only one city has grown to provide Internet, TV, Phone and Security monitoring to more than 235 communities and rural areas across Saskatchewan — but that’s not all.

**“The best thing was  
walking into people’s  
houses, hooking that  
cable up to the back of  
the TV and getting a  
crystal clear picture.  
The look on their face!”**

**Jim Barnes, Technician, 1981-2010**

# What made us unique then makes us unique now!

**As a not-for-profit co-operative, Access Communications invests 100% of our earnings right back into where we live and do business.**

Pumping millions into local economies. Helping food banks. Supporting children at risk and in need. And, with our Access7 community channels, empowering neighbours to share their stories.

**That just goes to show you:**

When Saskatchewan people come together, there's nothing we can't do!

# Proudly serving 235+ communities and rural areas across Saskatchewan.

**295**

employees live  
in Saskatchewan

**1,600**

charities &  
non-profit groups  
supported last year

**57%**

# New members welcome!

Help guide your co-operative, give back to your community and enjoy some sweet discounts at other co-operative businesses. Not a member, join us!

## Who can be a member?

Anyone 18 or older residing in an Access Communications service area or any organization with community, member or patron objectives based in any of those communities.

## What do members do?

At district and general meetings, members can have their say on issues facing the co-operative. You also have the opportunity to run for our member-elected Board of Directors (like those fine folks you see below did).

## Is there a cost?

Just \$1 a year for individual members, \$5 for community organizations.

## How do you apply?

Online at [myaccess.ca/about-access/membership](http://myaccess.ca/about-access/membership) or pop in to your nearest Access office.

# Thank you from your **Board Chair.**

From pushing a stranger's car out in a snowstorm to helping neighbours take their crops off, from hurrying hard to bleeding green, there's no place like Saskatchewan to call home.

We really are all in this together.

And that's especially true at Access Communications, where we re-invest 100% of our earnings into the same 235+ communities where we live, work and do business.

Our co-operative model could not exist a single day — let alone thrive for 40 years — without our dedicated members, employees, customers, volunteers and community partners all across the province.

Every day, for more than 14,600 days now, you are living proof that not-for-profit community ownership works — and works well.

To each and every one of you, on behalf of the board of directors and our entire Access family, a great big Saskatchewan-size THANK YOU!

**Here's to another 40-plus years... together!**

Sincerely,

**Dick DeRyk**, Chair  
Access Communications Co-operative  
Board of Directors

# Access7 is plugged in to the community.

## Make that over 235 communities!

Thanks to the combined efforts of our staff, members, customers and volunteers, Access has built a reputation second-to-none for community involvement. Nowhere are these efforts more evident than on our Access7 community channels, where families, friends and neighbours celebrate life in our great province!

## Lights! Camera! Volunteers!

As a not-for-profit co-operative, Access Communications has a special connection with our amazing volunteers. Many are behind the scenes, but all are stars in our eyes! We love throwing Volunteer Appreciation Parties across the province during National Volunteer Week. (Of course, every week is volunteer week at Access!)

Our Community Producer Program offers individuals and groups the hands-on opportunity to learn how to produce quality TV shows to get their message out. It's a smash hit! More than 55% of Access7 programming is now produced by local volunteers!

The more Access7 expands and revitalizes our mandate, roster of programming and hands-on community involvement, the more we attract viewers, volunteers and rave reviews for shows like the award-winning *Access7 Sports*, *Invisible Wall*, *RezX*, *The Four*, *Saskatchewaner* — just to name a few!

**2,500**

# Raising funds & warming hearts.

We are so proud to support over 1,600 community groups with in-kind sponsorships, fundraising help and promotion on Access7. All year long, Access staff and volunteers work together to enrich the lives of those less fortunate — and we have a lot of fun doing it! Here are just a few highlights of our very EVENTFUL year!

# We strongly believe in reducing our impact on Saskatchewan's environment.

Leading the charge for recycling.™

## Doing Saskatchewan a world of good.

We live in a beautiful province, and Access Communications strongly believes in reducing our environmental footprint through recycling, raising awareness and embracing sustainability in our everyday operations.

Our employee Green Team is leading the way! Completed projects include paperless pay statements, payroll deduction transit passes, email and online programs that save printing, reducing vehicle idling emissions, low energy light fixtures, and a comprehensive recycling program including electronics, pens, batteries, computers and general 'blue bin' items.

Every October, we participate in Waste Reduction Week and host a swap meet for staff that raises money for charity.

Access was even declared a 2018 REfficient Waste Diversion Champion! This celebrates companies that demonstrate a higher level of commitment towards waste diversion through buying, selling and recycling surplus assets. We were awarded the Leader Level for 1,000-10,000 pounds of waste diverted!

Don't be green with envy. Come do some good with us! Did you know our offices are public Call2Recycle depots for recycling batteries and cellphones?

### Last year, Access Communications recycled:

**90,000**  
pounds of  
set-top boxes  
and technical  
equipment

**3,952**  
pounds of  
batteries

**8,100**  
pounds of  
metal/tin

**690**  
pounds of  
plastic

# Funding student dreams.

We may be celebrating 40 years of history, but Access has always been dedicated to making a better tomorrow for Saskatchewan. That's why we believe in investing in students. They are the future of our province!

**Did you know that grade 12 graduates across Saskatchewan have the opportunity to apply for 20 \$1,000 Access Communications Scholarships?**

We also award the \$1,500 Access Communications/Fred Wagman Entrance Scholarships in Film & Video to deserving students at the University of Regina.

Know a young person who inspires you with their community involvement and academic achievement? Encourage them to apply!

**\$318,000**  
in scholarships  
awarded since 2005

**1,283**  
students supported  
from the program

# Every child deserves a chance.

That's the dream behind the Access Communications Children's Fund. Since launching our registered charity in 1992, we've raised \$1.7 million to help make that dream come true!

We are so proud of this number, because it demonstrates the support people of this province show for one another.

Thanks to proceeds from our wildly popular TV Bingo show and throughout the generous support of public donations and Access staff fundraising, the Children's Fund has donated to projects that focus on education, literacy, health and wellness, pathways out of poverty and crime prevention for kids at risk and in need. And 100% stays right here in Saskatchewan.

## **To our volunteers, caring members of the community and Children's Fund board members:**

I thank you. The children thank you. Saskatchewan thanks you!  
Take a moment to review our 2017 audited statements.

Sincerely,

**Doug Alexander**

# Report of the Independent Auditors on the Summary Financial Statements

To the Directors of Access Communications Children's Fund Inc.

The accompanying summary financial statements of Access Communications Children's Fund Inc., which comprise the summary statement of financial position as at December 31, 2017, and the summary statement of operations and changes in net assets for the year then ended, are derived from the complete audited financial statements, prepared in accordance with Canadian accounting standards for not-for-profit organizations, of Access Communications Children's Fund Inc. as at and for the year ended December 31, 2017.

We expressed a qualified audit opinion on those complete financial statements on our auditors' report dated March 27, 2018.

The summary financial statements do not contain all the disclosures required by Canadian accounting standards for not-for-profit organizations applied in the preparation of the complete audited financial statements of Access Communications Children's Fund Inc. Reading the summary financial statements, therefore, is not a substitute for reading the complete audited financial statements of Access Communications Children's Fund Inc.

## Management's Responsibility for the Summary Financial Statements

Management is responsible for the preparation of the summary financial statements, in accordance with the basis described in Note 1.

## Auditors' Responsibility

Our responsibility is to express an opinion on the summary financial statements based on our procedures, which were conducted in accordance with Canadian Auditing Standard (CAS) 810, "Engagements to Report on Summary Financial Statements."

## Basis for Qualified Opinion

In common with many not-for-profit organizations, the entity derives revenue from donations and fundraising, the completeness of which is not susceptible to satisfactory audit verification. Accordingly, verification of these revenues was limited to the amounts recorded in the records of Access Communications Children's Fund Inc. Therefore, we were not able to determine whether, as at or for the year ended December 31, 2017, any adjustments might be necessary to donations or fundraising revenues and excess of revenues over expenses reported in the statements of operations and current assets and net assets reported in the statement of financial position. This caused us to qualify our audit opinion on the financial statements as at and for the year ended December 31, 2016.

## Opinion

In our opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph, the summary financial statements derived from the complete audited financial statements of Access Communications Children's Fund Inc. as at and for the year ended December 31, 2017 are a fair summary of those complete financial statements, in accordance with the basis described in Note 1.
